LTC Health and Safety Policy

HEALTH AND SAFETY AT WORK ACT 1974

Health and Safety Policy of:-

The Licensed Trade Charity (LTC) LVS Ascot, Hassocks and Oxford

1. COMMITMENT

- 1.1 Licensed Trade Charity (LTC) is a charity, and a company incorporated by Royal Charter. It is constituted by its Trustees, who consider the health and safety of their staff, pupils and volunteers to be of paramount importance.
- 1.2 LTC provides support to those in the licensed trade business, from offices based at LVS Ascot. It also owns and runs three independent schools:
 - (a) LVS Ascot, a school for day pupils and boarding pupils aged between 4 and 18;
 - (b) LVS Hassocks, a day school for pupils aged 11-19 with an autism diagnosis; and
 - (c) LVS Oxford, a day school for pupils aged 11-19 with an autism diagnosis.
- 1.3 This policy covers LTC's operations of the Charity and at its three Schools
- 1.4 LTC is committed to taking all necessary actions to ensure the health and safety of all persons working within or visiting their Schools. LTC's policy is to provide and maintain a safe and healthy environment, equipment and systems of work, and is supported by the commitment to training, information and supervision and support from advisory services to implement this policy effectively.
- 1.5 The **Health and Safety at Work Act 1974** and its subordinate legislation are recognised as a minimum standard and LTC will endeavour to implement best practice and guidance wherever possible.
- 1.6 For the avoidance of doubt, this Health and Safety Policy sits alongside other policies within LTC (but does not include these issues), namely:
 - (a) Fire Safety;
 - (b) KCSiE
 - (c) Safeguarding;
 - (d) Covid-19 and biological virus's and illness as per Government and Public Health England guidelines
 - (e) Boarding arrangements with LVS Ascot
 - (f) Arrangements for day and residential trips; and
 - (g) LTC Code of Conduct.
- 1.7 This Policy does not form part of any member of staff's contract of employment, and LTC reserves its right to amend the document at any time.

5. H&S RESPONSIBILITES OF PRINCIPAL

The Principal of each School will be responsible for the following, in relation to their School:

- 5.1 To be aware of the basic requirements of the **Health and Safety at Work Act 1974** and subordinate health and safety legislation and codes of practices relevant to the work of (a) LTC generally, and (b) each School(s).
- 5.2 To set a positive, personal example of health and safety awareness and compliance;
- 5.3 To be responsible for the overall development, implementation, maintenance and review of safe working practices and conditions for all staff, visitors and any other person using the premises or engaged in activities sponsored by each School.

6. H&S RESPONSIBILITIES OF ALL LINE MANAGERS

- 6.1 Health and Safety is an important responsibility of every manager and every member of staff has a duty to co-operate with their manager.
- 6.2 In addition to their duties as a member of staff, line managers are responsible for:
 - (a) taking appropriate action when an accident or incident is reported to them;
 - (b) ensuring that the accident is recorded in the Accident Book;
 - (c) reporting appropriate accidents/incidents reviewed at Health & Safety meetings and to the Principal of each school

7. H&S RESPONSIBILITIES OF ALL STAFF

- 7.1 All staff will be provided with copies of, and must themselves familiar with, the requirements of:
 - (a) the **Health and Safety at Work Act 1974** and subordinate health and safety legislation and codes of practice which are relevant to the work of the department in which they work;
 - (b) this Policy, other relevant policies and all risk assessments relating to the welfare, health and safety of pupils;
 - (c) familiarise themselves with the health and safety aspects of their work and all applicable risk assessments;
 - (d) take reasonable care of their own health and safety, and the health and safety of any other persons who may be affected by their acts or omissions at work; and
 - (e) attend meetings to discuss and contribute to the Policy and to report on health and safety concerns within respective departments;

The Licensed Trade Charity: **Organisation Policies and Procedures**

LTC Health and Safety Policy

- (f) effectively execute measures in the event of a health and safety emergency, including procedures and contacts

7.2 All staff must:

- (a) lead by example to the pupils, by:

- fully complying themselves with this Policy and applicable risk assessments;
- giving clear instructions and warnings as often as necessary, to ensure the pupils are aware of their responsibility for observing any instructions/warnings given;

- (b) as regards any H&S duty or requirements imposed on his or her employer or any other persons by or under any of the relevant statutory provisions, co-operate with LTC (and its trustees and managers) so far as necessary to enable that duty or requirement to be performed or complied with.

- (c) complete all related training as advised by the HR department;

- (d) report any incident of concern – including all accidents and injuries (however minor) immediately to their line manager;

- (e) report any defects in the premises, plant, equipment and facilities which they observe;

- (f) take an active interest in promoting health and safety and suggest ways of reducing risks.

- (g) Where appropriate to their role, staff must:

- ensure that all plant, machinery and equipment is adequately guarded and in good and safe working order before use;
- not interfere with or make unauthorised or improper use of plant, machinery and equipment;
- use the correct equipment and tools for the job and any protective equipment or safety devices which may be supplied in accordance with risk assessments.
- ensure that toxic, hazardous and highly flammable substances are correctly used, stored and labelled.

8. DAY TRIPS

- 8.1 Both day trips and residential trips must be subject to separate risk assessment, to be authorised by the principal of each school before they take place.

9. VISITORS

The Licensed Trade Charity: **Organisation Policies and Procedures**

LTC Health and Safety Policy

- 9.1 This Policy, and appropriate risk assessments, apply equally to visitors as to staff and pupils.
- 9.2 Reception at each location is responsible for highlighting visitors into health and safety matters, as appropriate for their visit.

10. THIRD PARTY HIRERS

- 10.1 When the premises are used for purposes not under the direction of either the Director of Education or the relevant School Principal, then the principal person in charge of the activities (the Hirer) for which the premises are in use will have responsibility for safe practices whilst the activities are taking place. A contract is in place for any external hire of Charity property.
- 10.2 At the time of hiring, a Hirer must specify the purposes for which they are hiring the School. The School has the right to reject any activity which is inconsistent with this Policy.
- 10.3 Any activity carried out by a Hirer is at the Hirer's own risk, and is in no way the responsibility of the School being hired.
- 10.4 When Charity premises are being used out of normal school hours for a school-sponsored activity then, for the purposes of this policy, the organiser of that activity, even if a member of staff, will be treated as a hirer and must comply with the requirements of this Policy.
- 10.5 All hirers will be provided with a copy of this Policy, with which they must be familiar, and with which they must adhere. In addition, Hirers must carry out their own risk assessment for the activities they propose to carry out, and are responsible.
- 10.6 Hirers must not without their prior consent of the Director of Education of the School being hired]:
 - (a) introduce equipment for use within the School (internally or externally);
 - (b) alter any fixed installations within the School;
 - (c) remove fire and safety notices or equipment; or
 - (d) take any action that may create hazards for other persons using the School.

11. MAINTENANCE & CONTRACT WORK

- 11.1 The Director of Estates is responsible for ensuring that any maintenance work taking place is carried out safely, by ensuring that before work begins:
 - (a) the works are covered by an existing or new risk assessment;
 - (b) working practices which the contractor intends to follow should be discussed and arrangements should be made to control any risk to staff, pupils or visitors.

The Licensed Trade Charity: **Organisation Policies and Procedures**

LTC Health and Safety Policy

- (c) suitable risk control measures can be introduced before the work begins; and
- (d) the Principal of the School in question is made fully aware of the works;
- (e) the contractor has accepted the risk assessment, and agrees to comply with this Policy; and
- (f) review measures.

11.2 Where appropriate for major projects, health and safety arrangements must form an integral part of the tender documents and part of the contract. If health and safety is introduced for the first time at a later stage, it can result in delays and additional expenses. Procedures should also be introduced to ensure that these standards have been complied with.

11.3 Suitable control measures may include, but are not limited to:

- (a) making an area temporarily out of bounds to staff and pupils;
- (b) providing alternative emergency escape routes;
- (c) introducing a system of 'permit to work' certificates;
- (d) restricting the time when the work may be carried out; and
- (e) providing storage areas for hazardous materials.

11.4 All contractors comply with the Contractors Site Safety Guide held by Director of Estates.

12. Domestic and Catering staff

These services are provided by an outsourced service provider. This is fully managed and risk assessed by them and overseen by Director of Education.
